

# Cannabis Sales Trends Storyboard for Dash

\* Will use Tableau to create viz and interactive dashboard.

Includes filters and ability to toggle, tooltip.

# Sales by Product

**Sales-to-Date by County, can filter  
and highlight select counties**

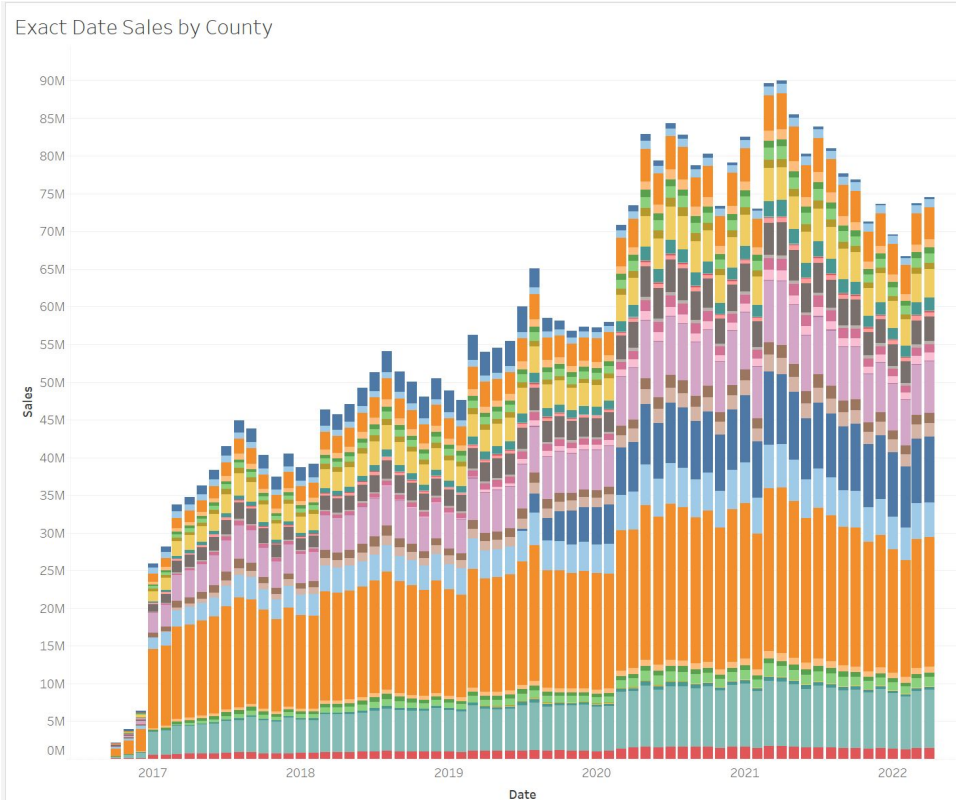

# Oregon Counties Map

THIS IS A MAP OF OREGON WITH GEOCODES AND FILTERS TO INTERACT AND ISOLATE BY COUNTY

May need to use GMAPS API as our DB doesn't have geolocation codes to simplify process

# This is a bar Graph detailing sales over time

# Sales by Product Over Time - also interactive with filters
